On **19th May 2021**, residents and staff of retirement housing will be able to celebrate EAC's 9th annual National Awards at home in their own schemes.

On 3rd March 2021 regional winners and national finalists will be announced. National winners will be declared at the Awards celebrated online, live, on 19th May.

The selection is based on the number of votes/nominations received for a housing scheme, compared to the number of homes in it.
